DEMOCRATIC CITIZENSHIP EDUCATION

Teacher Academy Project

School name: GTVS Novaragasse
Initiative title: "A play about the climate - by primary school children for students and everyone else."

Participating teacher: Livia Woidich

Needs – Inquiry

(livia.woidich@phwien.ac.at)

→ a current and important topic
→ brave teachers
→ everyone should participate

Aims

✓ to encourage a sense of community
✓ to ensure that all participants treat each other with respect
✓ to give children the opportunity to express their visions

Implementation stages

1. finding a socially relevant topic (and one that is relevant to the class!)
2. collaboratively developing a play
3. focusing on the process

Outcomes

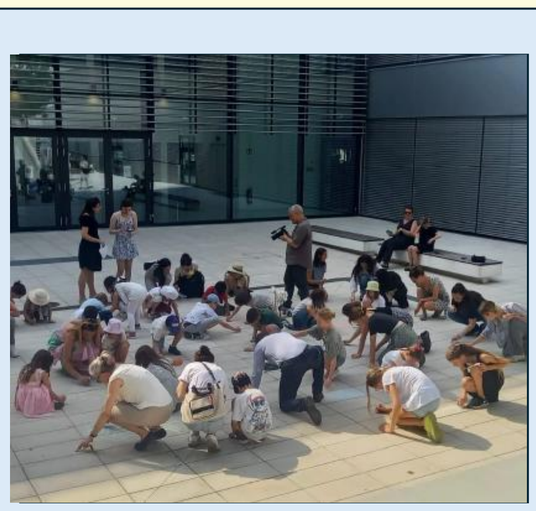

a play that was developed collaboratively and respectfully over an extended period

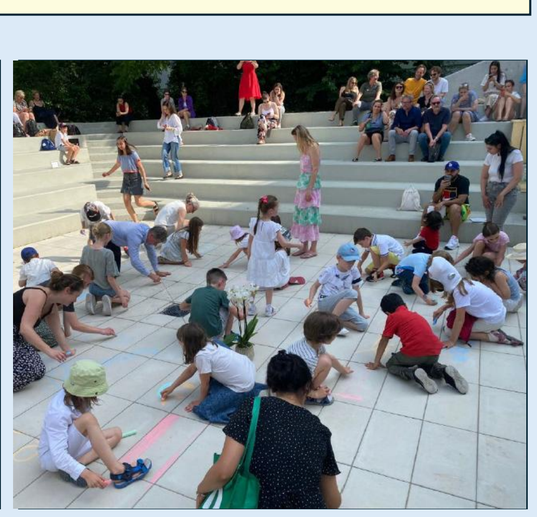

Democratic citizenship dimension

active participation throughout the whole project, everyone was included and given a voice
